

Who should attend?

This course is intended for individuals listed as the Worksite Erosion Control Supervisor on Department projects.

The course will cover:

- Goal of WECS and Engineer
- Erosion and Sedimentation Process
- DOT Specifications
- Corps of Engineer Permits
- Best Management Practices (BMP)
- Grassing-Temporary and Permanent
- Checklist and EC-1 Report

At the end of the full day program, each participant will be required to pass a written examination to receive certification.

This certificate program does not meet the NPDES definition of “qualified personnel.”

Course Fee

The fee is \$100 for all agencies. Participants will not be invoiced. Registrants should submit payment at the time of registration. **Payment must be by check or money order only.**

Make checks payable to:

**Georgia Department of
Transportation**

**Payment must be received before a
certification card will be issued.**

The Worksite Erosion Control Supervisor Certification training is believed to qualify for Professional Development Hours (PDH) under the Continuing Professional competency requirements of the Georgia State Board of Professional Engineers and Land Surveyors. The Board does not pre-approve courses for PDH credit. For information concerning the requirements, please contact the Professional Engineers and Land Surveyors Examining Board at (912) 207-1450
